

# WESTWIND PAC

## COMMUNITY UPDATES

**Dear Westwind Elementary School parents and guardians,**

**You can make a real difference** in the quality of programs and school life for your children this year with a **special contribution** to the Westwind PAC. One major fundraising project for the last several years was to expand and enhance our playground. Additional equipment and play space was installed in 2023, and students are loving it! It is through your generosity that projects like this come to life, so thank you for all of your past support.

The PAC also funds many ongoing activities and resources at Westwind:

- An annual \$5,000 capital investment fund to help keep our school's technology up to date
- Field trip subsidies
- Classroom supply subsidies
- Full school presentations such as theatre performances
- Full school athletic instruction such as pickle ball or ultimate frisbee
- Outdoor improvements such as picnic tables

Your support through our various fundraising initiatives makes a huge difference in the school lives of our children. We're very excited about the events our various committees have planned for this school year, including our annual Parents Dance in the spring. However, if you would prefer to support the general operating of the PAC through a **direct donation**, we would be most grateful. The advantage of supporting the school in this way is that **donations are tax deductible** and those funds stay with the school. **Tax receipts will be issued for donations of \$25 or more.**

Please email the information below, along with your e-transfer, to [wwpactreasurer@gmail.com](mailto:wwpactreasurer@gmail.com). Thank you in advance for your continued support!
